ATTENDANCE POLICY

Punctual and regular class attendance is required of all students. There are NO excused absences. It is the student's responsibility to do the work missed within a reasonable period of time as determined by the instructor. The student will be withdrawn from the course after the **4th** absence. Two "tardies" equal one absence; class starts promptly at the scheduled class time. **Any student with perfect attendance at semester end will have two additional points added to his/her final average.**

WITHDRAWAL POLICY

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If for any reason the student is unable to complete the course requirements, it is the student's responsibility to initiate their own withdrawal by the 1st drop date for the semester. An administrative drop by the instructor in this course will, in most cases, result in the student receiving an "F" (not an "X"). **The last day to drop a class is April 23, 2020. However, always discuss this with your instructor before dropping.**
