### **Additional Notes regarding BS in Conservation Law Enforcement**

Darla Anderson serves as the advisor for all NRM students who choose the Conservation Law Enforcement path. Students are encouraged to schedule a meeting with her prior to transferring to TTU by emailing her at: [darlande@ttu.edu](mailto:darlande@ttu.edu).

### **Multicultural Elective at TTU**

In addition to the core, every student must successfully complete at least one 3-hr multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or another society. At South Plains College, students can earn credit towards the multicultural elective by taking one of the following courses: *ANTH2351*, *ARTS1301*, *GEOG1302*, *GEOG1303*, *HUMA2319*, *PHIL1304*, and *SOCI1301*.

### **Foreign Language Requirement**

Students must meet the foreign language requirement for Texas Tech University (*See the TTU Uniform Graduation Requirements below*). An SPC student, who **has not** earned two years of a single foreign language in high school, can take *SPAN1411*, *SPAN1412*, *SPAN2311*, and *SPAN2312*. If the student **has** earned two years of a single foreign language in high school, they can take *SPAN2311* and *SPAN2312*. The TTU foreign language requirement can be satisfied by completing these required courses at SPC.

### **TSI-Compliance**

Students who are not TSI-compliant in reading or English are advised to take the INRW0300/ENGL1301 corequisite. Successful completion will grant TSI-compliance in these areas and college-credit for ENGL1301. ENGL1302 requires a 'C' or better in the corequisite or approval by the English Chairperson. Students who are not TSI-compliant in math are advised to take the MATH0332/MATH1332 corequisite. Successful completion will grant TSI-compliance in math and college-credit for MATH1332.

### **Applicable Transfer Credit Hours**

This transfer guide provides 65 credit hours. Evaluation of course credit earned at other institutions by the TTU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the TTU Transfer Evaluation Office. The TTU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution's catalog and in consultation with the appropriate academic units at Texas Tech University as necessary for clarification. While all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, **a maximum of 80 semester credit hours from two-year colleges may be applied toward Texas Tech University degree requirements**. Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.

### **Texas Tech University Uniform Graduation Requirements**

#### **Foreign Language Requirement**

- *Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.*

Any entering student who has not completed two years of a single foreign language in high school must complete at least two semesters (or its equivalent) of a single foreign language at the first-year college level or at least one semester of a foreign language at a 2000 level or higher as a graduation requirement. This requirement may also be satisfied by transferring in the equivalent courses from another college or university.

Individual Texas Tech University colleges may have additional foreign language proficiency requirements. Additional requirements may be necessary for select majors.

### **Science Laboratory Requirement**

- Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.

### **Communication Literacy Requirement**

- Students will complete the required communication literacy requirement.

### **Core Curriculum Requirement**

- Students will complete the required core curriculum.

### **Multicultural Requirement**

- In addition to the State of Texas core curriculum, every student must include at least one 3-hour multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or on the culture of another society.

## **Assured Admission to Texas Tech University**

If you present the required combination of transferable hours and GPA below, you are assured admission. GPA is cumulative for all transferable courses (including dual credit) from all schools attended. Courses taken for grade replacement are used for GPA calculation only if the same course is repeated at the same institution where it was originally taken.

Transferable Hours	GPA Requirements
12-23 hours	2.50 cumulative
24 or more hours	2.25 cumulative

Certain academic colleges and departments at TTU have special admissions requirements. Please review these requirements by college [here](#).

## **Special College Admission Requirements**

Some academic colleges and departments at Texas Tech only accept students who meet assured admission requirements. College entrance requirements are subject to change and are listed in the [Texas Tech Undergraduate Catalog](#).

## **TTU Honors College**

SPC students are encouraged and invited to apply to the TTU Honors College. The Honors College utilizes a holistic review process in which all application materials are considered before a decision is awarded. As an SPC Honors student, the following information may prove useful:

- TTU will transfer up to 12 hours of SPC-approved Honors credit, with a grade earned of B- or higher in each course, towards completion of the 24 TTU Honors hours.
- Students must apply to the Honors College and can also receive a fee waiver for the \$35 application fee to the Honors College. Honors students at SPC can contact [Honors.Admissions@ttu.edu](mailto:Honors.Admissions@ttu.edu) about having the application fee waived.

Explore the opportunities offered through the [TTU Honors College](#).

## **Texan to Red Raider Program**

Students transferring to Texas Tech can take advantage of the [Texan to Red Raider program](#). Students who apply to TTU as a non-degree seeking student can be dual enrolled in classes at both institutions. The following courses are approved for dual enrollment for this major:

- NRM 1300 – Environmental Science as a Social Pursuit
- NRM 2305 – Introduction to Freshwater Ecology & Fisheries

Prerequisites do apply.

### Additional Texas Tech Advising Notes

- Refer to the official source of information on specific courses within the TTU requirements of this [degree plan](#) from the TTU Undergraduate Catalog or visit the web site at [www.ttu.edu](http://www.ttu.edu).
- Read the [TTU Undergraduate Catalog](#).

Pay close attention to course sequencing and availability at TTU as it will affect the time it takes to complete the degree program.

### Using this Transfer Advising Guide with Texas Tech University

This Transfer Advising Guide represents Texas Tech's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to Texas Tech. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review Texas Tech's requirements frequently.

The Transfer Advising Guide is based upon Texas Tech University's catalog and is subject to change.
